www.dnssb-edcollege.org**

About the College:

Debnarayan Shiksha Sansthan (B.Ed. & D.El.Ed. College) is a teacher education institution committed to preparing skilled, competent and value oriented educators. Located in a serene and academic friendly environment. The college offers professional training through Bachelor of Education (B.Ed.) and Diploma in Elementary Education (D.El.Ed.) programmes.

The institution is recognized by NCTE (National Council for Teacher Education) and Affiliated to the Baba Saheb Ambedkar Education University and West Bengal Board of Primary Education. With a dedicated faculty, modern infrastructure, well equipped classroom and emphasis on holistic development, the college aims to foster educational excellence, innovative teaching practices and a deep sense of social responsibility among future teachers.

About the Seminar:

The seminar on “*Revolutionizing Education through Educational Technology and Artificial Intelligence: Opportunities, challenges and Future Directions*” focuses on the changing landscapes of education through digital innovation. It aims to explore opportunities, challenges and future directions of integrating AI and Edtech in teaching, learning and administration. The event will serve as a platform for Educators, Researchers, Students and Policy makers to share insights and strategies for creating a more inclusive, efficient and future ready education system.

Objectives of the Seminar:

1. To explore the role of Educational Technology and Artificial Intelligence in transforming teaching and learning process.
2. To identify the opportunities and benefit of using AI and Edtech in Education.
3. To discuss the challenges related to ethical use, data privacy, accessibility and digital equity.
4. To examine future direction and innovations in technology integrated education.
